Email: info@ABrothersMilling.com

Address: 411 Cinecue Way – El Paso, TX 79907

Our Mission:

A Brothers keeps it simple, puts emphasis on the basics, and gets the job done.

A Brothers Difference:

Located in El Paso, TX, **A Brothers** specializes in milling work for Texas-based highway construction companies. We continue to expand our operations into other services. A Brothers meets or exceeds all TXDOT and federal DOT trucking regulations

A Brothers Services:

We perform controlled, full depth removal of asphalt layers in a single pass and concrete removal.

A Brothers offers roto-milling to provide a cost effective way to maintain deteriorating roadways and parking lots, and also maintains street, highway and parking lot elevations, clearance and drainage.

Roto-milling generates recyclable materials, which can be re-used in new mix designs. We provide competitive prices on hauling of materials, sweeping and certified traffic control personnel. Our services include, but are not limited to:

- Highway Construction
- Asphalt Pavement Removal
- Asphalt Milling
- Demolition
- Street Resurfacing
